

DECISION ON MEASURES IN FAVOUR OF LEAST-DEVELOPED COUNTRIES

Ministers,

Recognizing the plight of the least-developed countries and the need to ensure their effective participation in the world trading system, and to take further measures to improve their trading opportunities;

Recognizing the specific needs of the least-developed countries in the area of market access where continued preferential access remains an essential means for improving their trading opportunities;

Reaffirming their commitment to implement fully the provisions concerning the least-developed countries contained in paragraphs 2(d), 6 and 8 of the Decision of 28 November 1979 on Differential and More Favourable Treatment, Reciprocity and Fuller Participation of Developing Countries;

Having regard to the commitment of the participants as set out in Section B (vii) of Part I of the Punta del Este Ministerial Declaration;

1. *Decide* that, if not already provided for in the instruments negotiated in the course of the Uruguay Round, notwithstanding their acceptance of these instruments, the least-developed countries, and for so long as they remain in that category, while complying with the general rules set out in the aforesaid instruments, will only be required to undertake commitments and concessions to the extent consistent with their individual development, financial and trade needs, or their administrative and institutional capabilities. The least-developed countries shall be given additional time of one year from 15 April 1994 to submit their schedules as required in Article XI of the Agreement Establishing the World Trade Organization.

2. *Agree* that:

- (i) Expeditious implementation of all special and differential measures taken in favour of least-developed countries including those taken within the context of the Uruguay Round shall be ensured through, *inter alia*, regular reviews.
- (ii) To the extent possible, MFN concessions on tariff and non-tariff measures agreed in the Uruguay Round on products of export interest to the least-developed countries may be implemented autonomously, in advance and without staging. Consideration shall be given to further improve GSP and other schemes for products of particular export interest to least-developed countries.
- (iii) The rules set out in the various agreements and instruments and the transitional provisions in the Uruguay Round should be applied in a flexible and supportive manner for the least-developed countries. To this effect, sympathetic consideration shall be given to specific and motivated concerns raised by the least-developed countries in the appropriate Councils and Committees.
- (iv) In the application of import relief measures and other measures referred to in paragraph 3(c) of Article XXXVII of GATT 1947 and the corresponding provision of GATT 1994, special consideration shall be given to the export interests of least-developed countries.
- (v) Least-developed countries shall be accorded substantially increased technical assistance in the development, strengthening and diversification of their production and export bases including those of services, as well as in trade promotion, to enable them to maximize the benefits from liberalized access to markets.

3. *Agree* to keep under review the specific needs of the least-developed countries and to continue to seek the adoption of positive measures which facilitate the expansion of trading opportunities in favour of these countries.
